PLYMOUTH, ENGLAND

To our Valued Customers

Who have so largely given us their support and confidence in the past, and to those whose pleasure in submitting this third edition of our ILLUSTRATED CATALOGUE of Manufactured Woods all numbers and several of the designs have been altered from our previous issue of 1904. This has the progress of modern building requirements, and to depart from the old-fashioned Stock Lines, many obsolete. For convenience, the several lines of Mouldings carried in stock have been marked "stock" and

On November 20th, 1909, a disastrous fire destroyed the whole of our Log Band Sawmills, situated on the banks of the River Plym, near the town of Plympton. Since this date we have completed the erection of new Sawmilling Works in the State, installing the most modern plant of Log Band Saws, Re-Saws, and

Our JOINERY WORKS are also fitted throughout with the latest types of English and American machinery in position to carry out orders entrusted to us in a manner both creditable to ourselves and satisfactory to our customers. We also have a complete and up-to-date Door Manufacturing Plant, as a result of which the importation of Doors has been found for our own mechanics. We especially solicit your support in this connection.

Our Timber Yards, Storage and Seasoning Sheds and Joinery works cover a total area of 100 acres. Our stocks comprise TIMBER, JOINERY WORK, MOULDINGS, SKIRTINGS, ARCHITRAVES, GLASS, CEMENT, GALVANISED IRON (best brands only), IRONMONGERY and GENERAL BUILDING MATERIALS.

We are also extensive Manufacturers of DETAILED JOINERY and WOODWORK, and have a personal supervision enabling us to offer unequalled facilities in this department.

We also stock and supply Weatherboard Cottages in a great variety of designs, suitable for the Tropics, all framed up, numbered and forwarded in sections ready for erection.

When ordering from this CATALOGUE, kindly give the NUMBER of the article required, and complete FORWARDING INSTRUCTIONS. ORDERS, however small, will receive the most prompt attention.

For PRICES of stock lines of TIMBER, MOULDINGS, DOORS, SASHES, MANTLES, and other articles, see our MONTHLY PRICE LIST, posted free on application. SPECIAL QUOTATIONS GIVEN FOR CASH ORDERS.

In conclusion we now desire to avail ourselves of this opportunity of thanking our numerous customers for the business bestowed upon us for the last 20 years, and to solicit a continuance of their further esteem.

We are, Yours faithfully,
